---

## **PROGRAM**

### **Twenty-sixth Annual Meeting of the Kansas Public Health Association**

**THEME:** Community Health Planning

- OBJECTIVES:**
1. To provide an opportunity for public health workers to gain insight into the role each must assume in planning for community needs.
  2. To clarify the contribution of each discipline in the planning process, to avoid omissions and the weakening of existing resources, and to strengthen community rapport.
  3. To present new techniques and procedures for evaluating, defining, and locating health problems in the community.
  4. To evaluate the effectiveness of this annual program presentation by follow-up questionnaire to all who attend.

**PHASES:** Wednesday—Individual Responsibility in the Planning Process

Thursday—Planning and the Community

Friday—Co-ordination of Local and State Effort

#### **Program Committee**

Carl O. Tompkins M.D., Chairman

Rosemary Harvey, M.D.

Irvin Franzen

Leonard Sammons

Melvin Lynch

Thelma Bullock

Erin Wettig, R.N.
